SUBJECT: Audit of Final Vouchers TIRNO-95-D-00065, Task Order
Numbers 0001 and 0021 (Audit #200310002.017)

In response to your request, the Defense Contract Audit Agency (DCAA) examined the final vouchers issued for task order numbers 0001 and 0021 under contract number TIRNO-95-D-00065. The purpose of the examination was to determine the allowable costs and fees under the task orders.

In summary, the contractor's accounting and billing systems are generally considered adequate to ensure final vouchers are based on allowable cost and fee data. The DCAA indicated that the final vouchers issued under the task orders are acceptable for processing. The claimed costs are considered allowable under the contract, and therefore are reimbursable.

The information in this report should not be used for purposes other than that intended without prior consultation with the Treasury Inspector General for Tax Administration regarding its applicability.
